THE KHAMAI REPTILE PARK IN CONJUNCTION WITH THE PROJECT HERP HAS FOR THE PAST 24 YEARS STRIVED TO CONSERVE REPTILES. THIS IS ACHIEVED THROUGH INTENSIVE EDUCATIONAL AND RESEARCH PROJECTS.

CONTACT US SHOULD YOU BE INTERESTED IN HELPING OR GETTING INVOLVED WITH THE WORK THAT WE DO.

*....is it only after we have poisoned
all the air that we breath and taken
out the last tree that we will realise
we cannot eat money ???*
